

Message from the Commissioner General of Examinations

The General Certificate of Education (Ordinary Level) Examination is a significant milestone in the academic journey of thousands of students across Sri Lanka. As a country that upholds a centralized and standardized examination system, it is our responsibility to ensure that every candidate is provided with a fair and uninterrupted opportunity to sit for examinations, regardless of external challenges.

Sri Lanka is not unfamiliar with natural hazards such as heavy rainfall, floods, cyclones and landslides. During recent examinations, particularly the GCE (Advanced Level), we experienced several such challenges. On those occasions, the Disaster Management Centre extended timely and effective support to the Department of Examinations, enabling us to safeguard examination centres, ensure candidate safety and maintain the integrity of the examination process.

I sincerely appreciate the dedicated efforts of the Disaster Management Centre and all supporting agencies including the tri-forces, the Police, other volunteers in ensuring that examinations be conducted smoothly. With collective responsibility, preparedness and cooperation, we can ensure that every student completes the upcoming GCE (O.L.) Examination successfully.

A handwritten signature in blue ink, consisting of a stylized 'A' followed by a long horizontal stroke.

Mrs. A.K.S. Indika Kumari Liyanage
Commissioner General of Examinations
Department of Examinations – Sri Lanka

Message from the Director General Disaster Management Centre

The smooth and uninterrupted conduct of national examinations is a matter of great importance to the country, particularly during periods when adverse weather conditions and other emergencies pose potential risks to candidates, examination staff, and examination centres.

As the co-chair of the National Examination Emergencies Operation Unit, the Disaster Management Centre remains fully committed to ensuring that effective preparedness and response mechanisms are in place for the G.C.E. Ordinary Level Examination 2025 (2026). This guideline has

been prepared with the objective of strengthening coordination among all relevant stakeholders and minimizing the impact of natural and man-made hazards on the examination process.

Over the years, close collaboration between the Department of Examinations, the Disaster Management Centre, district and divisional administrations, and other line agencies has proven essential in maintaining the continuity of examinations during challenging situations such as floods, landslides, extreme weather events, and other unforeseen emergencies. This year too, we place strong emphasis on early warning dissemination, preparedness planning, contingency arrangements, and rapid response at national, district, and divisional levels.

I sincerely request all officials involved in examination administration and disaster management to study these guidelines carefully and ensure their effective implementation. Special attention should be given to the safety and well-being of candidates, the accessibility of examination centres, and the timely communication of information to all concerned parties.

I take this opportunity to appreciate the dedicated efforts of the Department of Examinations and all partner institutions for their continued cooperation in safeguarding the examination process. I am confident that, with collective commitment and coordinated action, we will be able to conduct the forthcoming examination smoothly and successfully, even under challenging circumstances.

I wish all candidates every success in their examinations.

A handwritten signature in blue ink, consisting of a vertical line on the left, a large loop at the top, and a series of horizontal strokes across the middle, all intersected by a diagonal line from the bottom left to the top right.

Major General Sampath Kotuwegoda ndc IG (Retd.)

Director General

Disaster Management Centre

ACCESS TO EXAMINATIONS AMIDST DISASTERS

GUIDELINES FOR CONDUCT OF EXAMINATIONS IN EMERGENCIES

1. Introduction

The Department of Examinations (DoE) will conduct the General Certificate Examination, Ordinary Level (G.C.E. O/L), for 2025 (2026) from 17th February to 26th February 2026.

A total of 451,463 candidates (382,249 school candidates and 69,214 private candidates) will sit for the G.C.E. (O/L) Examination across 3,545 exam centres from 17th February to 26th February 2026 managed by 531 examinations coordinating centres. For the period of the exams, 38 educational divisions have been established.

Examination	Total Candidates	Coordinating Centers	Examination Centers
G.C.E. (O/L) Examination	451,463	531	3,545

Month of February are generally characterized by the tail end of the Northeast Monsoon Southwestern regions typically experience dry weather with average rainfall between 50–70mm, the North and Eastern regions may still experience occasional moderate showers (averaging 75–100mm) as the Northeast monsoon retreats. According to the Department's current seasonal predictions, there is a possibility of near-normal rainfall over most parts of the country during February 2026.

These weather conditions may bring about risks such as floods, landslides, and strong winds, all of which could disrupt exam schedules, cause travel delays for candidates, and affect examination centres. Furthermore, precautions should be taken to address potential hazards, including air quality issues, lightning, fires, explosions, animal attacks, and road accidents.

In assessing possible risks to the candidates sitting the examinations and officials involved in conducting the exams, the Disaster Management Centre (DMC) recognized the need for a cohesive risk reduction plan to overcome potential examination emergencies.

2. Conduct of Examination

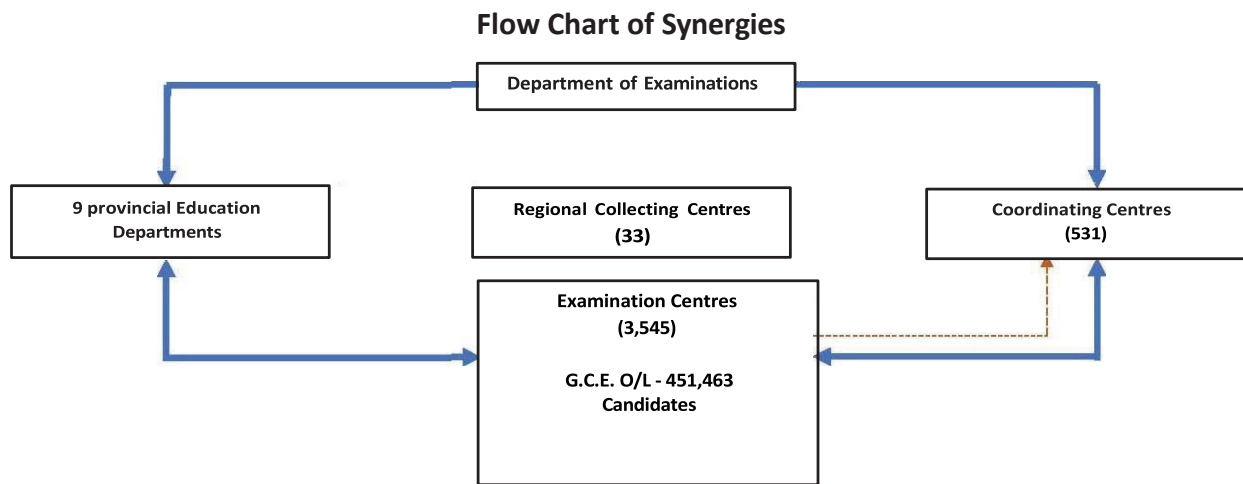

The Commissioner General of Examinations (CGoE) will execute the G.C.E. (O/L) Examination in liaison with the Zonal Education Directors. Accordingly, 38 Educational Divisions have been established in the 9 provinces for the purpose of conducting the examinations.

Ref.	Province	Educational Divisions
1	Western	Colombo, Sri Jayawardhanapura, Piliyandala, Homagama, Gampaha, Kelaniya, Negombo, Minuwangoda, Horana, Matugama, and Kalutara
2	Southern	Galle, Matara, and Tangalle
3	Sabaragamuwa	Ratnapura, and Kegalle
4	North Western	Kurunegala, Nikaweratiya, Kuliapitiya, Chilaw, and Puttalam
5	North Central	Anuradhapura, and Polonnaruwa
6	Central	Matale, Kandy, and Nuwara Eliya
7	Uva	Badulla, and Monaragala
8	Eastern	Ampara, Kalmunai, Batticaloa, and Trincomalee
9	Northern	Vavuniya, Mannar, Mullaitivu, Kilinochchi, Jaffna I, and Jaffna II

The 531 Coordinating Centres (CC) will be guided by the above 38 educational divisions in conducting the G.C.E. (O/L) Examination and GIT Exam.

- **G.C.E. (O/L) Examination** - will be held from 17th February (Tuesday) from 0830 to 26th February (Thursday) 1140 hours in 3,545 examination centres with 531 coordinating centres, while a total of 451,463 students will vie for the examination.

Overall, the G.C.E. (O/L) Examinations is directed by the DoE, and the implementation will be through the Provincial Educational Offices. Provincial Education Directors of the 9 provinces will include 100 Zonal Education Directors ensuring the operations of the 3,545 examination centres.

In preparation and execution of any emergencies during the period of examination, a coordinated effort will be essential. As such, the Disaster Management Centre (DMC) in liaison with Department of Examinations (DoE) has formulated this preparedness and response guidelines book as a disaster risk reduction mechanism involving key stakeholders. The examination emergencies will be steered by the Emergency Operations Centre (EOC) of the DMC.

3. National Examination Emergencies Operations Unit (NEEOps)

NEEOps will be operational at the Emergency Operations Centre (EOC) of the Disaster Management Centre (DMC) for the examination as follows;

- 15th February 2026 – 28th February 2026 – G.C.E.(O/L) Examination

Commissioner General of Examinations (CGoE) and Director General Disaster Management Centre (DG–DMC) will Co–Chair the NEEOps. The Operational command unit will be headed by the Director of EOC – DMC, and a representative of CGoE.

Under the directive of the respective Government Agents/District Secretary, the twenty–five (25) Deputy/ Assistant Directors of District Disaster Management Coordinating Units (DD/AD–DDMCU) will function as District coordinators of the District Examination Emergencies Coordinating Office (DEECO). They will link with the thirty– eight (38) educational divisional representatives. The 100 Zonal Education Directors will link with DEECO and these offices will be directly linked with NEEOps in Colombo.

3.1 Responsibilities

- Coordinate and facilitate the planning of examination emergencies; early warning mechanisms and communications among essential service organizations in disasters during the period of examinations.

- Support District Secretariats, Provincial Educational Offices, Local Government and other stakeholders in emergencies.
- Ensure operational functions of DEECO.
- Implement individual and collective organizational contingency plans in achieving examination emergency objectives.
- Identify needs and mobilize resources as required.
- Achieve objectives of examination emergencies.

4. Objective

The main objective is to ensure there are no interruptions to the planned conduct of the G.C.E. (O/L) Examination and to provide safe access and security to candidates sitting for the examinations and the officials.

4.1 Specific Objectives

- Ensure timely accessibility of 451,463 G.C.E. O/L candidates as per the examination timetable to the designated 3,545 examination centres without any impediments caused by hazards/disasters.
- Provide unimpeded access to officials of the Examination Department and uninterrupted services to 38 Examination Divisional Offices, 531 CC.
- Prepare, coordinate and execute emergency plans among all essential service organizations in emergencies to achieve the mandate of the DoE of Sri Lanka.

5. Potential Scenarios

5.1 Adverse Weather Conditions

The climatological conditions during February are generally characterized by the tail end of the Northeast Monsoon, resulting in bright, sunny days and low rainfall across most parts of the island. While the Southwestern regions typically experience dry weather with average rainfall between 50–70mm, the North and Eastern regions may still experience occasional moderate showers (averaging 75–100mm) as the Northeast monsoon retreats. Selection and establishment of examination centres should be safe from potential flood and landslide zones demarcated by the National Building Research Organization (NBRO), Irrigation Department (ID) and DMC. Lightning is also a potential threat.

5.2 Animal Attacks

Animal encounters remain a considerable cause of harm to humans in certain areas. Stings from bees, wasps, and hornets can be lethal. Access routes will need to be secured of animal encounters and bee/wasp nests. Further, areas identified with Human–Elephant Conflict (HEC) need considerable attention in planning and contingencies. Access to such examination/coordinating centres by candidates and officials with alternative routes are required to identify.

5.3 Fire

Fire is an anthropogenic event where humans are involved purposely or carelessly, and also due to lightning fire can create. The fire departments in respective areas and first respondents have to be alerted during the examination period to extinguish possible fires.

In the Event of Any Emergency

HOTLINE –1911

Department of Examinations (DoE)

The DoE has established a 24-hour Examination Emergency Coordinating Office for the period 17th February to 26th February 2026 with direct access through the hotline – 1911. In the event of any interruptions due to hazards/disasters impeding the to continue with the examinations, the DoE will direct the 38 Educational Divisional Heads to allow affected candidates to overcome disruption through a special directive to continue the examination from the nearest centres.

List of contact numbers of Educational Divisional Heads is attached.

6. Operational Guidelines for Examination Emergencies in Situations of Disasters

Safety and security of school and private candidates eligible to sit for the G.C.E. (O/L) Examination and officials engaged in conducting the examinations will be of paramount importance in the event of potential disasters due to natural hazards. As noted, 451,463 G.C.E. O/L candidates, and relevant officials will commute for the G.C.E. (O/L) Examination.

Provision of public and private transport and mobility contingencies in the event of disasters will require detailed planning. The climate patterns and past extreme weather conditions indicate possibilities of heavy rains which could lead to flooding, landslides and earth slips. The climatological conditions during February are generally characterized by the tail end of the Northeast Monsoon, resulting in bright, sunny days and low rainfall across most parts of the island. While the Southwestern regions typically experience dry weather with average rainfall between 50–70mm, the North and Eastern regions may still experience occasional moderate showers (averaging 75–100mm) as the Northeast monsoon retreats.

According to the Department's current seasonal predictions, there is a possibility of near-normal rainfall over most parts of the country during February 2026. High wind, storm surge, coastal erosion, lightning, severe thunderstorms and industrial hazards are possibilities. Furthermore, tsunamis, fire and explosions too are potential threats.

Road accidents and animal attacks (e.g: the human elephant conflict) are on the increase, which are severe safety concerns of school children and officials.

Preparation in providing early warning, reducing risks, and responding speedily in the event of a calamity would be a collective action by agencies involved in examination emergencies. The guidelines will support such agencies to be proactive, prepare, coordinate, and implement plans to achieve the specified objectives.

6.1 Department of Examinations, Sri Lanka (DoE)

The Commissioner General of Examinations (CGoE) of the DoE will be the Co-chair of NEEOps. He/She will share his/her operational plans with the other Co-Chair of DMC, the Director General. Administrative activities will be managed by the CGoE. Operational aspects related to disaster management will be coordinated by DMC. CGoE will;

- a. Assign DoE representative as Operational Co–Chair of NEEOps.
- b. Share deployment of officials/candidates and assets related to the examination with NEEOps to facilitate emergency response planning.
- c. Appoint DoE provincial and district representatives in respect of each district to coordinate with the District Secretary and DMC in emergencies. The 38 divisional examination heads are to be connected with DEECO.
- d. Ensure examination officials are briefed on contingency plans provided by NEEOps.
- e. Provide detailed briefing to invigilators and officials in examination centres about the immediate action drill in the event of a disaster during the examination process.
- f. Direct Emergency Response Calls received by **DoE Hotline 1911** to NEEOps.
- g. Make available contact list of essential focal points and link them with NEEOps and DEECO.

6.2 Disaster Management Centre (DMC)

DMC will be responsible for the planning and execution of examination emergencies in liaison with DoE. It will function as Co–Chair of NEEOps. A coordination mechanism will be established to ensure essential and support organizations are prepared to implement contingency plans at national, provincial and district/divisional levels in the event of a disaster.

- a. Assign DMC representative as Operational Co–Chair of NEEOps and the Director EOC to be assigned. EOC to be the central operations room for NEEOps.
- b. District offices of the DMC will be the District Examination Emergencies Coordinating Offices (DEECO) with Deputy/ Assistant Directors of DDMCU being the district-based operational officers linked to NEEOps.
- c. Implement National Examination Emergency Plan in liaison with other ministries, departments and organizations via NEEOps.
- d. Create safe access routes to and from, the examination and coordinating centres for candidates and officials in the event of emergencies.
- e. Transport providers, both state and private, to be made aware of the needs and contingencies.
- f. Provide early warning of impending disasters timely and efficiently.
- g. National Council for Disaster Management to be appraised of action plans in the event of a national examination emergency.

6.3 Ministry of Education (MoE)

The Ministry will be overall responsible for providing guidelines and directives to the examination candidates via the Department of Examinations. The schools selected as examination and coordinating centres are to be the least vulnerable to the effects of hazards. Potential areas and centres vulnerable to extreme weather or hazardous conditions are to be brought to notice by relevant school Principals to NEEOps and DEECO to mitigate such effects via prior planning.

7. Guidelines to be Followed by the Implementing Ministries, Departments and Institutions

Response to examination emergencies will be carried out by relevant ministries, departments and institutions based on the nature of the hazard.

7.1 Ministry of Defence (MoD)

MoD will be appraised by the DoE through the Ministry of Education with regard to troop deployment in support of National Examination Emergencies caused by natural disasters. MoD will provide assistance to any such emergency response through the tri-forces. NEEOps will link with tri-forces for deployment plans in examination emergencies.

7.1.1 Tri-Forces

Army, Navy, Air Force assigned under the purview Ministry of Defence. Tri - Forces ensures civil–military cooperation in human ensures civil – military cooperation in humanitarian emergencies. Military assets, experience, rapid employment and speedy access are the immense advantages they possess in saving lives. Plans of Tri - Forces, in preparing and responding to emergencies will support the conduct of examinations in the event of extreme weather conditions or any other interruptions. NEEOps will liaise with Tri - Forces in connecting DoE, DMC, and national and provincial/district-based stakeholders. Tri - Forces is requested to;

- a. Assign Tri - Forces representative to liaise directly with NEEOps.
- b. Request from Commander of the Army, Navy and Air Force to provide operational assistance to NEEOps through respective Directors of Operation to execute examination emergency responses.
- c. Attach Tri–forces (Army, Navy, Air Force) senior representatives to NEEOps to assess, coordinate and authorize resources for emergency response relevant to respective service organizations.
- d. Nominate Tri-force representatives for 25 District Examination Emergencies Coordinating Offices.
- e. Provide examination emergency response plan/guidelines in respect of resource mobilization for examination emergencies.
- f. Link Tri - Forces Operations room with NEEOps and DEECO.
- g. Disseminate weather forecast, early warning, potential mobilization and other related information sent by NEEOps with relevant tri–service organizations.
- h. Collate and share contact details of key military coordinators at national and district levels assigned for examination emergencies.

7.2 Ministry of Public Security (MoPS)

The Ministry will assign Police and Civil Security Department in support of public security and responding to hazards and disasters in liaison with NEEOps. Resources to be allotted and deployed in such an event.

7.2.1 Sri Lanka Police and Special Task Force (STF)

Assigned under the Ministry of Public Security, Sri Lanka Police with the support of STF require deployment on the directive of the Inspector General of Police. In emergencies, the Police is to link with the NEEOps and DEECO to manage any interruptions to the examinations. Police HQ is requested to;

- a. Provide communication and deployment plans in examination emergencies.
- b. Assign focal officer/team for NEEOps.
- c. Link local police stations for information sharing with NEEOps at the national level and DEECO at the provincial/district levels.
- d. Disseminate alerts and warning sent out by NEEOps to reach candidates and examination

- officials.
- e. Harness community support and assistance as first responders in response to a disaster.
- f. Share a list of Police representatives to be linked with NEEOps and DEECO.

7.2.2 Civil Security Department (CSD)

Assigned under the Ministry of Public Security, CSD is to provide its possible deployment in areas of vulnerability to support examination emergencies. CSD is requested to;

- a. Assign a representative to link with NEEOps.
- b. Provide capacity and strength in support of examination emergencies for NEEOps. Specific tasks will be assigned accordingly.
- c. Support dissemination of alerts and warning messages to candidates and examination officials in the event of such warnings.
- d. Assist DoE and NEEOps in support to overcome any impediments to examinations on ground.
- e. Link directly with DEECO for emergency assistance in respective districts.

7.3 National Examination Emergencies Operations Unit (NEEOps)

NEEOps will be the operational arm to coordinate and implement examination emergencies. EOC, of the DMC will be the lead in planning and operationalizing examination emergency procedures in liaison with DoE representatives. It will take all necessary steps to counter any disaster or impending disaster in accordance with existing plans.

DMC appointed Operational Co–Chair for NEEOps will be the Director operations (EOC – DMC). Office and command centre of NEEOps will be the EOC at DMC. District Examination Emergencies Coordinating Offices (DEECO) will be in the respective 25 District Secretariats under the auspices of the District Secretary. NEEOps will;

- a. Direct and authorize Examination Emergency Action Plans of key disaster response stakeholders and support organizations for implementation in the event of any emergencies interrupting examinations. Ensure identified organizations are operational to implement emergency plans at any given time during the periods;
 - 17th February to 26th February 2026 G.C.E (O/L) Examination
- b. Share district/divisional hazard maps for extensive circulation among officials and district administrators involved in the conduct of examinations. Take measures to identify and reduce risks, thereby facilitating access routes to examination centers. Carry out joint assessments on accessibility and alternate routes to examination centers at district/divisions through DEECO.
- c. Ensure critical service providers have special contingency plans in responding to power outages, transport exigencies, telecommunication failure etc.
- d. Create public awareness of examination emergency readiness.
- e. Support District Secretaries in the implementation of district disaster response plans.
- f. Support coordination of emergency relief through National Disaster Relief Services Center (NDRSC), under the Disaster Management Division on MoD and link with other stakeholders including private sector for a coordinated emergency response.
- g. Provide early warning on hazards and impending disasters, timely, in liaison with technical agencies. Ensure speedy and efficient communication mechanism for warnings and instructions to reach examination candidates and officials.
- h. Identify and enhance facilities of alternate safe centers for immediate relocation of vulnerable examination centers for the continuity of examinations in the event of interruptions.
- i. Provide operational, administrative and logistical support for DEECO.
- j. Update respective Ministries, District Secretaries, DoE of operational activities regularly.

- Maintain close liaisons with District Secretaries in sharing information and providing assistance in emergencies.
- k. Essential composition of NEEOps will be representatives of DMC/EOC, CGoE, Provincial/Zonal Education representatives, health representatives, Tri-forces, Police, assigned governmental and technical organizations.
- l. Request for senior representatives of essential service organizations in emergencies to facilitate coordination and implementation of tasks assigned to respective organization. Their presence is required 24/7 from 15th February to 28th February for G.C.E. (O/L) Examination.
- m. Establish public, private and media partnership for dissemination of weather forecasts, warnings and safety instructions.
- n. Deploy pre-identified resources as per contingency plans to maximize efficiency in providing safety and security to candidates and officials of the examination department.
- o. Provide timely situational reports/updates to Co-Chairs and relevant authorities.

7.4 District Examination Emergencies Coordinating Office (DEECO)

Twenty-five (25) Deputy/ Assistant Directors of DMC will be in operation at the District Secretariats. DEECO will be headed by the respective District Secretaries in liaison with heads of the established Educational Divisions. The essential composition of DEECO will be the District Secretary; DoE representative and Deputy/ Assistant Directors of DMC as district operational co-chairs; representatives of Tri-forces, health officials, police and those determined by the District Secretary. DEECO will;

- a. Operationalize DEECO, linking with Divisional Secretariats, Provincial Educational Directors, Local Government Authorities, Tri-forces, Police and other organizations/stakeholders are involved in the examination of emergency readiness and response.
- b. Maintain direct liaisons with NEEOps and provide frequent situational updates. Establish information sharing mechanisms both from national to sub-national levels.
- c. Formulate essential composition of DEECO incorporating district co-chairs, Tri-forces representatives, Police and other partner organizations.
- d. Coordinate and implement district emergency response plans in the event of an examination emergency.
- e. Coordinate with district-based essential service organizations for clearance of access routes, responding to power/communication outages and transport exigencies.
- f. Seek alternate examination centres as safe sites in the event of relocation procedures.

7.5 Department of Meteorology (DoM)

Accurate, timely and impact-oriented weather forecasts will support preparedness and rapid response through early warning. The climatological conditions during February are generally characterized by the tail end of the Northeast Monsoon, resulting in bright, sunny days and low rainfall across most parts of the island. According to the Department's current seasonal predictions, there is a possibility of near-normal rainfall over most parts of the country during February 2026. A detailed weather prediction chart for the period of examination is annexed. DoM will;

- a. Issue regular weather forecasts and disseminate them timely to NEEOps. Periodicity of issuing situation reports from 15th February to 28th February 2026 (2026) G.C.E. (O/L) Examination, to be agreed with NEEOps. Proposed forecast report periods are given below;

Date	15 th February to 28 th February 2026 (G.C.E. (O/L) Examination)
*Frequency of reports	6 hourly

* In the event of potential threats – hourly reports or even frequent as required.

- b. Designate a senior officer to liaise with NEEOps.
- c. Provide an Examination emergency action plan with a list of contacts.
- d. Formulate speedy and simple dissemination of early warning format, inclusive of local language for onward transmission to public/media without edit to save time and reduce risks.
- e. Connect with mass media to disseminate special weather forecasts/advisories.

7.6 Irrigation Department

The threat of extensive rain could swell rivers, overspill reservoirs and force open sluice gates causing floods in low-lying areas. The department should provide adequate early warnings related to reservoir spill levels, opening of sluice gates and river rise. Early warning and potential threats in areas of high vulnerability need to be identified in relation to examination and examination coordinating centres. The Irrigation Department will;

- a. Provide situational reports to NEEOps on water levels and alerts related to rivers, reservoirs and other water bodies detrimental to overflow or cause a disaster. The frequency of submission of reports is given below;

Date	15 th February to 28 th February 2026 (G.C.E. (O/L) Examination)
*Frequency of reports	6 hourly

*In the event of potential threats – hourly reports or even frequent as required.

- b. Provide potential threats and vulnerable areas to NEEOps to facilitate deployment plans. Access roads and safe locations will be vital.
- c. Make available an examination emergency action plan based mostly on early warning and dissemination to NEEOps.
- d. Agree on communication mechanisms and simplified warning messages for direct dissemination to the public through NEEOps.
- e. Provide a list of key contact persons at national and sub-national levels to NEEOps.
- f. Ensure 24-hour operational, situation monitoring office from 15th March to 28th March 2025.
- g. Assign a representative to connect with NEEOps during the same period.
- h. Disseminate information on potential threats to the public through media and other sources.

7.7 Disaster Preparedness and Response Division (DPRD – Ministry of Health)

Emergency health response plan in support of Examination Emergencies to be prepared and resources allocated based on the potential threat. National, provincial, and regional key focal persons will be linked with NEEOps/DEECO to confirm readiness and active contingency plans if required. Dengue and epidemics are on the rise and therefore necessary preventive measures at exam centres and surrounding areas prior to the examination period.

DPRD will be the focal unit linking health and medical needs in examination emergencies with NEEOps.

- a. A full-time coordinating representative will be at NEEOps for the period stated.
- b. National emergency health response action plan will be shared with NEEOps.
- c. To ensure preventive measures in terms of epidemics and other potential threats are looked into. e.g. – Dengue.
- d. List of contact details of national, provincial, and district health coordinators will be submitted.
- e. Deployment of ambulances and required vehicles will be ensured.
- f. Availability of sufficient health staff and medicinal stocks in hospitals to deal with emergencies in vulnerable districts will be confirmed.

The National Dengue Control Unit (NDCU) will be a focal point in paying special attention to epidemics such as Dengue that is currently on the rise. NDCU to ensure that preventive measures with regard to Dengue is taken at exam centres and surrounding areas prior to the examination period. National, provincial, and regional key focal persons will be linked with NEEOps/DEECO to confirm readiness and active contingency plans if required.

7.8 National Building and Research Organization (NBRO)

Monitoring of potential landslides and consequences of aftermath which will hinder the conduct of national examinations would be NBRO's examination emergency contingency. Prior warnings will enable the safety of examination candidates and those engaged in examination duties in 3,545 examination centres and, 531 coordinating centres.

- a. Identify and zone potential areas vulnerable to landslides or access amongst the established examination/coordinating centres.
- b. Demarcate safe access routes in support of candidates/officials proceeding to and from examination/coordinating centres in landslide-vulnerable areas. Provide alternate safe routes in the event of an emergency.
- c. Provide an emergency response plan in the event of a disaster.
- d. Designate a senior officer to liaise with NEEOps. Provide a contact list of key personnel at national and subnational levels.
- e. Provide updated situational reports to NEEOps frequently.
- f. Provide timely warnings to NEEOps.

7.9 Telecommunications Regulatory Commission (TRC)

TRC will ensure both government and private telecommunication service providers are tasked to provide uninterrupted communication during the period of 15th February to 28th February 2026. Additional emphasis in supporting examination emergency response through contingencies for back-up and communication revival to be made. Sufficient manpower to support such exigencies to be planned. TRC to connect with NEEOps and assign a focal point.

7.10 Road Development Authority (RDA)

Road access to implement response plan in the event of disasters will be vital. Access in support of candidates sitting for examinations and officials of the examination department will require roads and pathways to be cleared of obstacles following a hazard/disaster.

- a. Routes which are likely to be affected need to be identified and contingencies drawn to clear roads/ pathways. Share such action plans with NEEOps.
- b. Assign a representative to coordinate with NEEOps and share a contact list of key persons involved in examination emergencies.
- c. Provide a list of machinery and human resources available for deployment in vulnerable areas.

7.11 Electricity Supply – CEB and LECO

Ceylon Electricity Board (CEB) and Lanka Electricity Company Private Limited (LECO) are the suppliers of electricity island-wide. Both agencies require having contingencies in providing continuous electricity supply during the period of examinations. Backup electricity in the event of hazard/disasters is to be planned and pre-positioned with breakdown teams deployed in and around the areas of examination centres to deal with any interruptions. National and district representatives of the two entities to link with NEEOps and DEECO.

7.12 Fire Brigade – Local Government Municipalities

The readiness of fire brigades under the municipalities is to be directed in submitting contingency plans to respond to examination emergencies. Resource availability, fire-hydrant serviceability and reach of fire brigades to be submitted to NEEOps. Assign a coordinator to liaise with NEEOps, who is capable of coordinating all fire brigades. Complementing and supporting adjacent municipality fire brigades in the event of emergencies is suggested. Prior approval is to be obtained to affect such mutual support.

7.13 1990 Ambulance Service - Suwaseriya

Suwa Seriya operations room to connect directly with NEEOps with an assigned officer. Deployment of ambulances and their services to be mapped. Suwa Seriya to brief its ambulance teams stationed in districts of the potential support required for examination emergencies. NEEOps will coordinate with CEO Suwa Seriya and maximize services in the event of casualty transport and medical services.

8. Communications

NEEOps will be the command centre linked directly to DEECO in twenty-five (25) districts. NEEOps will communicate with Co-chairs of the DMC and DoE for the execution of examination emergency plans. Whilst NEEOps and DEECOs will coordinate and facilitate the examination emergency process, individual essential service organizations mentioned above will have internal and external communication plans.

9. Administration and Logistics

NEEOps will be housed at the DMC while DEECOs will be hosted by the respective District Secretariats of the twenty-five (25) districts. Essential service organizations in emergencies are requested to internalize administrative and logistic support. Organizations may discuss further needs and requirements with DMC for resource allocation as required. DoE will liaise with Provincial Education Directors in providing logistic support to staff and candidates.

10. Inclusivity of Candidates with Special Needs

The Co-chairs of NEEOps will ensure that all stakeholders involved in these guidelines ensure safe and inclusive environments for candidates with special needs. Early warnings, evacuation orders and response plans to include, adhere and cater to the special needs in liaison with DEECO and NEEOps.

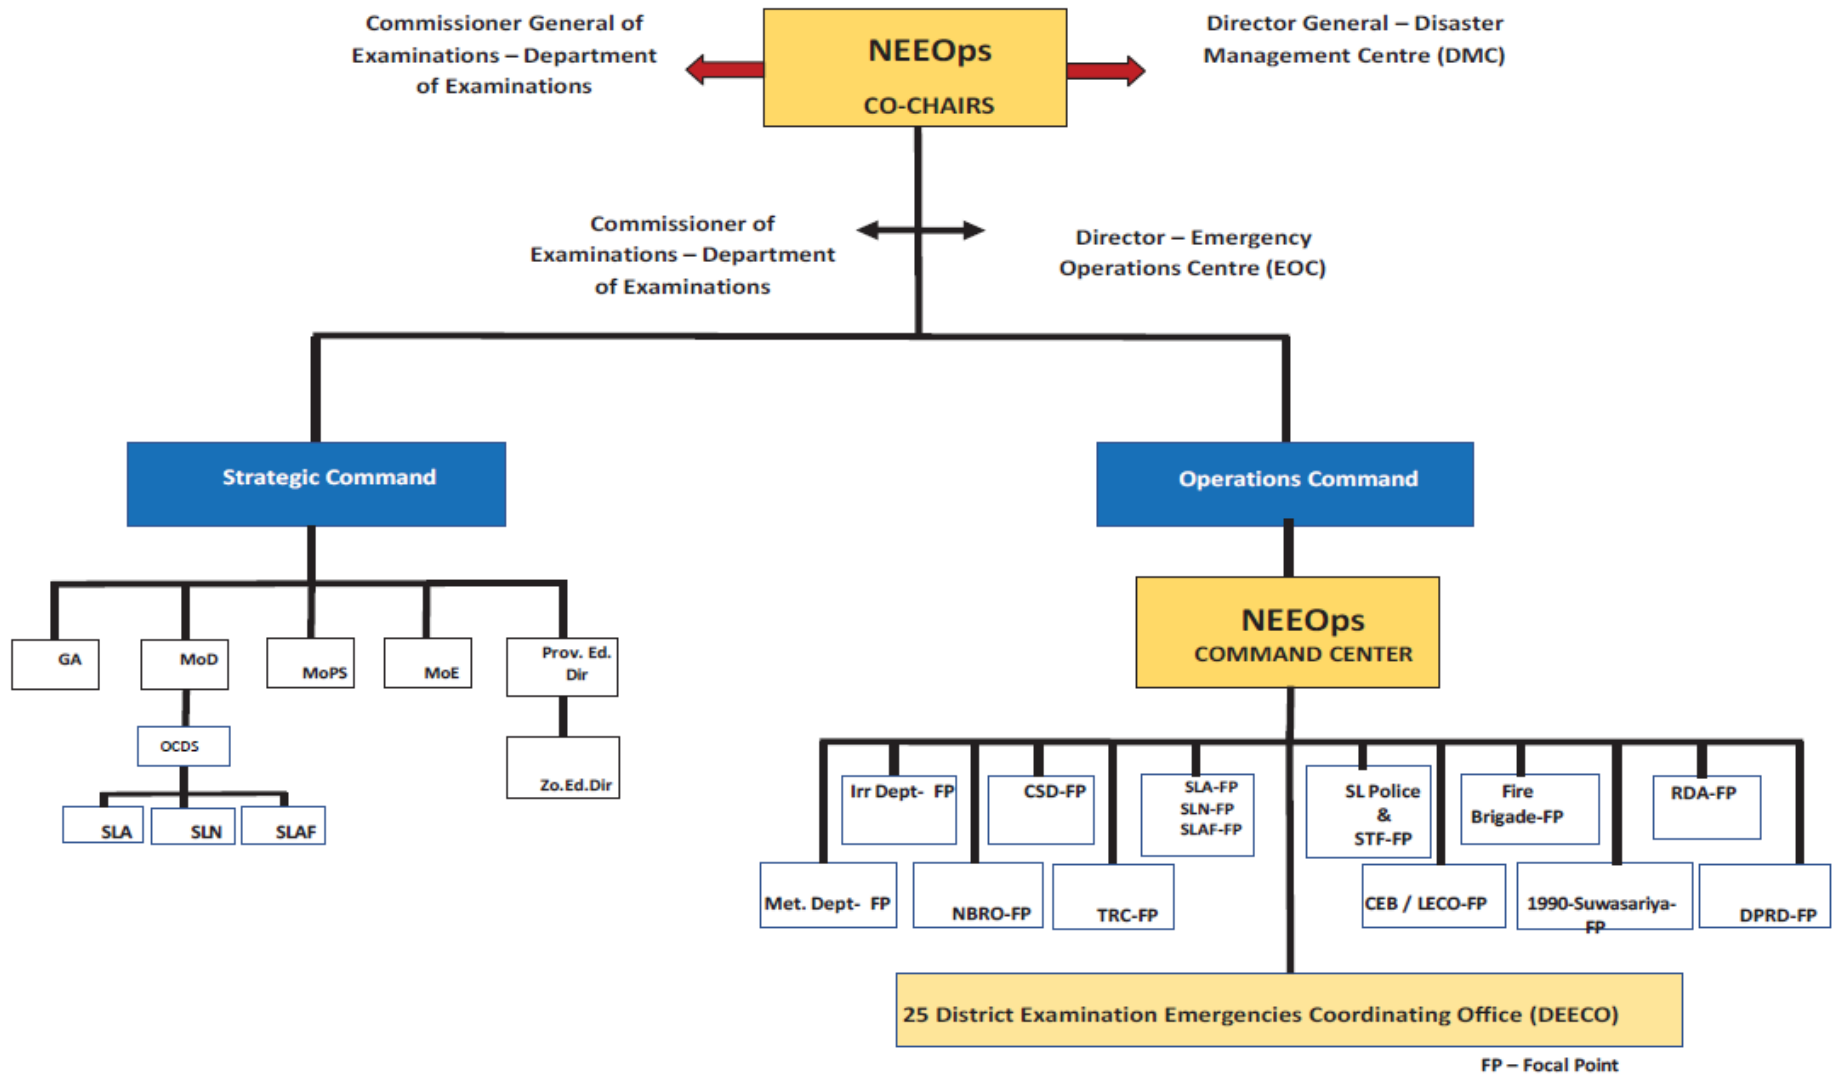

11. Conclusion

Preparing and responding to examination emergencies require a collective effort. Over a million personnel including school children will be directly involved in the examination and in carrying out relevant duties. The collection of question papers in the morning hours and the submission of answer scripts in the evening hours to and from 3,545 centres will require timely planning and execution. Any interruptions due to hazards/disasters can cause many a delay and deprive the children of sitting for their examinations. Safe passage for candidates to travel to and from their homes to the examination centres will be the collective responsibility of all agencies. A coordinated and cohesive effort by agencies in support of the Department of Examination to conduct examinations amidst emergencies is a positive initiative in providing the right to education.

Maj. Gen. Sampath Kotuwegoda ndc, IG (Retd.)
Director General
Disaster Management Centre

Preparation of School Environment for Dengue Prevention ahead of the G.C.E (O/L) Examination – 2025(2026) scheduled for 17th February – 26th February 2026

With reference to the letter DMC/6/PP/DoE dated 23.01.2026 addressed to the Director General of Health Services, Ministry of Health, the following dengue prevention guidelines are recommended to ensure the safety of candidates and staff during the upcoming G.C.E (O/L) Examination:

- 1. Coordination with Zonal Education Directors:**
Kindly coordinate with Zonal Education Directors to obtain their full cooperation and support for this initiative.
- 2. Technical Guidance and Awareness:**
Obtain technical guidance and support from the Medical Officers of Health (MOHs), Public Health Inspectors (PHIs), and other preventive health staff through the respective Provincial and Regional Directors of Health Services, the Director of the National Institute of Health Sciences (NIHS), Kalutara, or the Chief Medical Officer of Health, Colombo Municipal Council. Their collaboration is essential to ensure that effective mosquito source reduction activities are carried out within school premises before the examination.
- 3. Entomological Surveillance:**
Ensure that entomological teams conduct surveys to detect larval and adult mosquito populations in and around school premises in advance of the examination. This will help identify potential or existing mosquito breeding sites.
- 4. Source Reduction Measures:**
Implement continuous mosquito breeding site elimination programmes within school premises to minimize the risk of dengue transmission.
- 5. Targeted Space Spraying:**
Prioritize space spraying in and around examination centers based on entomological data and reported dengue cases in surrounding areas. If even a single case is reported in the vicinity, immediate spraying is recommended.

සෞඛ්‍ය සංකීර්ණය, 555/5, ඔල්විගල මාවත, නාරාහේන්පිට, කොළඹ 05
பொது சுகாதார பண்மனைத் தொகுதி, 555/5, எஸ்விடிகல் வீதி, நாராகேள்பிட்டி, கொழும்பு 05
Public Health Complex, 555/5, Elvitigala Mawatha, Narahenpita, Colombo 05

6. Personal Protection Measures:

Instruct school authorities to advise students to use personal protective measures, such as mosquito repellents and wearing appropriate clothing during peak mosquito biting hours (6:00 a.m. – 10:00 a.m. and 3:00 p.m. – 7:00 p.m.).

7. Community Engagement and Volunteer Campaigns:

Encourage collaboration among school authorities, zonal and provincial education officers, parents, past pupils, students, and members of school dengue prevention committees. Their active participation in school cleaning and awareness campaigns will strengthen efforts to maintain a dengue-free environment.

Director,
National Dengue Control Unit

Annex D: General Weather Report for G. C. E. (O/L) Examination

Special Weather Report for G. C. E. Ordinary Level Examination – 2025 (2026)

Expected General Weather Condition

Climatologically, February marks the tail end of the Northeast Monsoon, typically resulting in minimal rainfall across the island. While the Northern and Eastern parts may still experience occasional moderate showers, parts of the Southwest are prone to afternoon or evening thundershowers, often accompanied by strong winds and lightning activities.

1. Based on Climatological averages over Sri Lanka, expected weekly weather pattern from (12-18) February (19-25) February and (26 February – 04 March) are shown in Figure 01, Figure 02 and Figure 03 respectively.

Mainly fair-weather condition or few showers can be seen over most parts of the island according to the bellow figures for 01 to 03

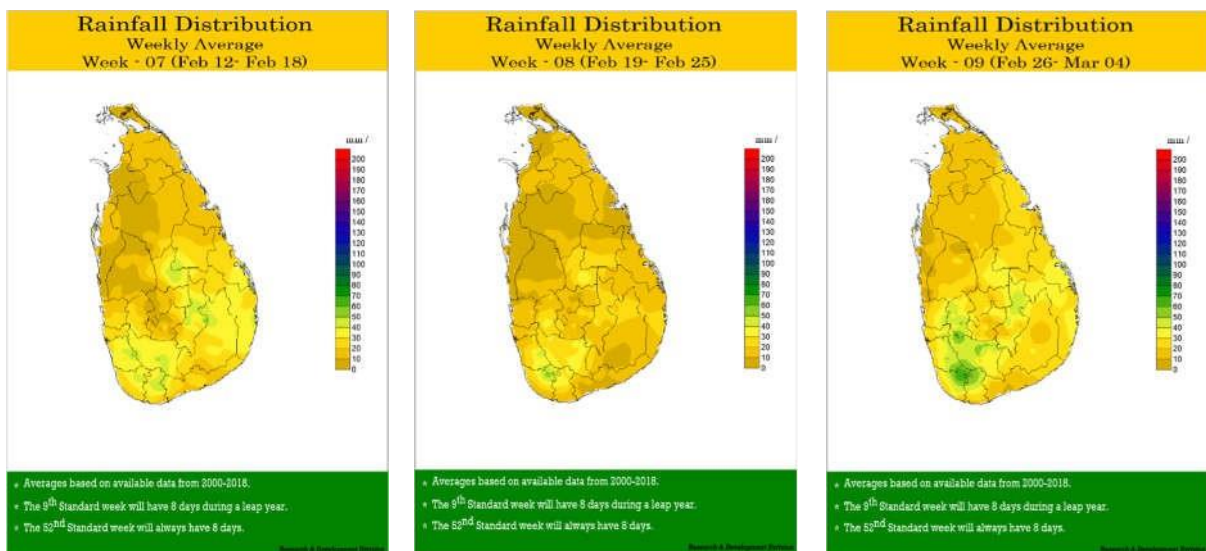

Figure 01

Figure 01

Figure 01

2. Based on latest monthly rainfall forecast issued by the Seasonal forecasting Division of the Department of Meteorology, rainfall forecast for month of February 2026 is shows in Figure 04.

- There is a possibility for near normal rainfalls over Sri Lanka.

February 2026

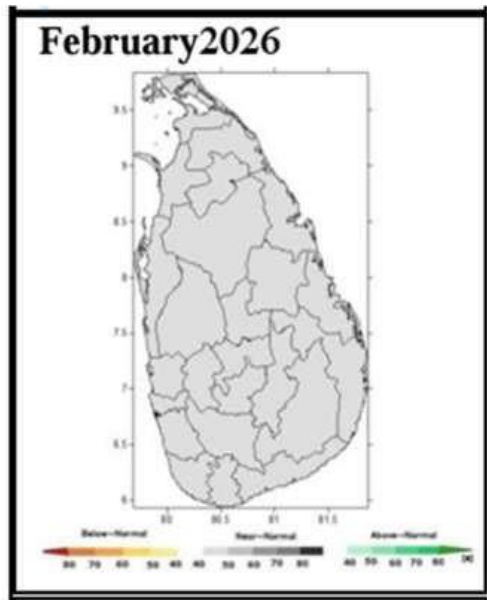

Figure 04

3. Weekly weather Forecast based on 26th January 2026 Data.

Week 1: 16-23 Feb 2026

Below normal rainfalls are likely over the country.

Week 2: 23 Feb - 02 March 2026

Near normal rainfalls are likely over most parts of the country.

7	Matale	Gammaduwa Tamil Vidyalaya
Isolated landslides, cutting failures, rockfalls or ground subsidence can be happened in other areas also with the intensive rainfall conditions.		

Other General Guidelines

- 1 It is advised to avoid using all schools identified as high-risk locations for landslides, slope failures, cutting failures, rockfalls or ground subsidence based on previous NBRO investigations.
- 2 Be vigilant regarding access roads to schools in the areas mentioned above and access roads damaged by the "Ditwah" cyclone, which pose a medium landslides/ slope failures/ cutting failure/ rockfalls/ ground subsidence risk to schools.
- 3 For medium-risk schools, please follow the instructions provided with any landslides early warning issued for the area.
- 4 In any emergency situation, please contact the Disaster Management Centre (DMC) at 117. The DMC will coordinate with the NBRO District Offices or the Colombo Head Office for further assistance.

Hazards For Months of February

Analyzed by Studying Months of February 2021 - 2025

Event	District	Total
FLOOD	Vavuniya	126
	FLOOD Total	126
LANDSLIDE		
	LANDSLIDE Total	0
STRONG WIND	Badulla	49
	Batticaloa	31
	Colombo	133
	Galle	7
	Hambantota	36
	Jaffna	87
	Kalutara	20
	Kandy	4
	Kegalle	140
	Kilinochchi	34
	Moneragala	142
	Mullaitivu	75
	Nuwara Eliya	22
	Polonnaruwa	397
Puttalam	10	
Ratnapura	1,145	
Trincomalee	329	
STRONG WIND Total	2,661	
CUTTING FAILURE	Badulla	12
	Galle	45
	Kandy	4
	Ratnapura	43
CUTTING FAILURE Total	104	
Total Affected People		2891

District	CD	District	CD	District	CD
Ampara	1	Moneragala	10	Trincomalee	19
Batticaloa	2	Nuwara Eliya	11	Vavuniya	20
Colombo	3	Polonnaruwa	12	Mullaitivu	21
Galle	4	Badulla	13	Kilinochchi	22
Gampaha	5	Ratnapura	14	Mannar	23
Hambantota	6	Anuradhapura	15	Puttalam	24
Kalutara	7	Matale	16	Jaffna	25
Kurunegala	8	Kandy	17		
Matara	9	Kegalle	18		

*No landslides events have been reported during this period.

Mitigation Research and Development Division
Disaster Management Centre

This map was generated using the last five years historical disaster data analysis from the Disaster Information Management System. The worst disaster incident of the DSD mapped accordingly. Disaster Information Management System is a tool that helps to analyze the disaster trends and their impacts in a systematic manner. With an increased understanding of the disaster trends and their impacts, better prevention, mitigation and preparedness measures can be planned to reduce the impact of disasters on the communities.
