Preface

Every child has the right to education, and other fundamental rights are dependent upon the realization of the right to education. Successive governments of Sri Lanka have continuously prioritized children's education. The Grade 5 Scholarship Examinations offer the possibility for better educational opportunities at a very young age while the General Certificate Examinations Advanced Level (GCE A/L) determines a child's quest to higher studies and potential career. The effort and determination undertaken by children in qualifying for both examinations is tremendous. Equally significant are the travails of the teachers and parents of the children. A decade of their schooling education is tested within a few days through this examination. Whilst the Department of Examination with the Provincial Education Directors, provide all administrative support and comfort for the conduct of the examination, it is crucial that an environment free of hazards and disasters are created for children to be safe and concentrate in doing their best at the examination.

362,824 candidates have registered for the Grade 5 Scholarship Examination which is to be conducted in 2,936 examination centers while 362,824 candidates have registered for the GCE A/L Examination to be conducted in 2,648 examination centers. As such, the safety and security of the students is of utmost importance. The frequent hazards and disasters experienced in Sri Lanka should not be detrimental to the conduct of the examination nor the future of the examination candidates. As a proactive measure, the Department of Examinations requested the expertise of the Disaster Management Center in supporting the endeavor of creating an environment, free of interruptions to the conduct of examinations.

I take pleasure in expressing my sincere gratitude to the Disaster Management Center and partner organizations in rendering their support in providing safety and security for the children, other candidates and the officials.

B. Sanath Pujitha

Commissioner General of Examinations,
Department of Examinations

Foreword

The conduct of national examinations are annual routine events invariably during the cyclic months each year. However, the recent pandemic and extreme weather patterns have caused concerns which require disaster preparedness and coordinated swift responses. An event where nearly one million school children, private candidates and officials will engage in examinations countrywide utilizing over nearly 6,500 permanent structures as examination and coordinating centers require detailed planning and assessment.

The Disaster Management Center (DMC) in liaison with the Department of Examinations is committed to ensure the uninterrupted conduct of examinations providing safety and security from hazards and disasters. Examination center safety and crisis response has been planned in partnership with governmental organizations and other stakeholders. The commissioning of the National Examination Emergencies Operations Unit (NEEOps) at the national level and the District Examination Emergencies Coordination Office (DEECO) at the district level for the period of examinations will enable the implementation of operational plan for examination emergencies.

These guidelines will further enhance resilience of service providers contributing to the conduct of examinations. A coordinated preparedness and response mechanism will ensure the uninterrupted conduct of examinations which will allow extracting the full potential of the candidates. I thank all partner organizations involved in the preparation of this guideline. I am confident that the assigned entities will implement their respective operational plans in responding to any eventualities. DMC is committed in coordinating and facilitating the operational plans for the successful conduct of examinations.

Major General Sudantha Ranasinghe (Rtd.) RWP,RSP,MSc,ndu,psc
Director General
Disaster Management Center

ACCESS TO EXAMINATIONS AMIDST DISASTERS

GUIDELINES FOR CONDUCT OF EXAMINATIONS IN EMERGENCIES

1. Introduction

The Department of Examinations (DoE) will conduct the Grade 5 Scholarship Examination 2020 on 11th of October 2020 followed by the conduct of General Certificate Examination, Advanced Level (GCE A/L) from 12th October to 6th November 2020 in Sri Lanka. Both examinations initially scheduled for August 2020 were postponed due to the coronavirus outbreak.

A total of 331,694 Grade 5 students will sit for scholarship examinations across 2936 centres on 11th October 2020 managed by 496 examination coordinating centres. GCE A/L, both old and new syllabus examinations will be conducted across 2648 centres for 362,824 candidates coordinated by 316 centres. For the period of the exams, 38 educational divisions have been established. Nearly 70,000 officials and invigilators will ensure the conduct of examinations.

Paper correction for Grade 5 scholarship examination will be held from 22 to 27 Oct 2020 in 42 centers. GCE A/L examination paper corrections will take place in two stages from 31 Oct to 15 Nov 2020 and 18 Nov to 29 Nov 2020 in 68 centers. Over 20,000 officials will be involved in paper correction duties in 109 centers.

Examination	School Candidates	Private Candidates	Total Candidates	Coordinating Centers	Examination Centers
Grade 5 Scholarship	331,694	-	331,694	496	2,936
GCE A/L New Syllabus	277,580	41,905	319,485		2,283
GCE A/L Old Syllabus	-	43,339	43,339	316	365
Total			694,518	812	5,584

The postponed examinations are conducted amid the COVID-19 pandemic where the situation has now vastly improved. However, the health guidelines and COVID-19 protocols require to be adhered strictly. The inter-monsoon period of October and November prior to the North-East monsoon (December to February) could have heavy rains coinciding with the examination dates. Flooding, landslides and high wind are potential risks which can deny access, delay travel of candidates and disrupt facilities at examination centers. Further precautions against air hazard, lightning, fire, explosions, animal attacks and road accidents are risks to be addressed. This will be amidst the threat of COVID-19.

Assessing possible risks to candidates sitting for the examination and officials, Disaster Management Centre (DMC) recognized the need for a cohesive risk reduction plan to overcome potential election emergencies.

2. Conduct of Examination

The Commissioner General of Examinations (CGoE) will execute the Grade 5 Scholarship and GCE A/L examinations in liaison with the Provincial Education Director (PED). 38 Educational divisions have been established in the 9 provinces for the purpose of conducting the examinations.

No.	Province	Educational Divisions
01	Western	Colombo, Sri Jayawardhanapura, Piliyandala, Homagama, Gampaha, Kelaniya, Negombo, Minuwangoda, Horana, Matugama and Kalutara
02	Southern	Galle, Matara and Tangalle
03	Sabaragamuwa	Ratnapura and Kegalle
04	North Western	Kurunegala, Nikaweratiya, Kuliypitiya, Chilaw and Puttalam
05	North Central	Anuradhapura and Polonnaruwa
06	Central	Matale, Kandy and Nuwara Eliya
07	Uva	Badulla and Monaragala
08	Eastern	Ampara, Kalmunai, Batticaloa and Trincomalee
09	Northern	Vavuniya, Mannar, Mullaitivu, Kilinochchi, Jaffna I and Jaffna II

812 Examination Coordinating Centers (ECC) will be directed by the above 38 educational divisions for the conduct of both Grade 5 scholarship and the GCE A/L examinations.

- **Grade 5 Scholarship Examination** - will be held on Sunday 11th October from 0930 to 1215 hours in 2936 examination centres with 496 coordinating centres. 331,694 students will vie for the examinations.
- **GCE A/L Examination** – will be held from Monday 12th October to 6th November 2020. There will be 362,824 candidates sitting for the examination in 2648 examination centres. These examination centres will be provided with the question papers during the morning hours of each examination day. 33 Regional Collecting Centers (RCC) have been established for the collection of answer scripts which will be handed over by the respective ECCs at the end of each day. Safe and timely travel for the officials in transporting the question papers and answer scripts will be vital without any interruptions.

Overall, both examinations will be directed by DoE, the implementation will be via the Provincial Educational Offices. Provincial Education Directors of the 9 provinces will have 99 Zonal Education Directors ensuring the operations of the 5584 examination centers.

Corrections to below chart – regional collecting centres – how many? Coordinating centres - .

In preparation and execution of any emergencies during the period of examination, a coordinated effort will be essential. As such, the Disaster Management Centre (DMC) in liaison with Department of Examinations (DoE) has formulated this preparedness and response guidelines as a disaster risk reduction mechanism involving key stakeholders. The Examination Emergencies will be steered by the Emergency Operations Centre (EOC) of the DMC.

3. National Examination Emergencies Operations Unit (NEEOps)

NEEOps will be operational from 9th October to 7th November 2020 at the Emergency Operations Centre (EOC) of the Disaster Management Centre (DMC). Commissioner General of Examinations (CGoE) and Director General Disaster Management Center (DG-DMC) will co-chair NEEOps. Operational command will be Director of EOC - DMC and a representative of CGoE.

Under the directive of the respective Government Agents/District Secretary, the twenty-five Assistant Directors of District Disaster Management Coordinating Unit (AD-DDMCU) will function as district coordinators of District Examination Emergencies Coordinating Office (DEECO). They will link with the thirty-eight educational division representatives. The 99 Zonal Education Directors will link with DEECO. These offices will be directly linked with NEEOps in Colombo.

3.1 Responsibilities;

- Coordinate and facilitate planning of examination emergencies; early warning mechanisms; and communications among essential service organizations in disasters during the period of examinations.
- Support District Secretariats, Provincial Educational Offices, Local Government and other stakeholders in emergencies.
- Ensure operational functions of DEECO.
- Implement individual and collective organizational contingency plans in achieving examination emergency objectives.
- Identify needs and mobilize resources as required.
- Achieve objectives of Examination Emergencies.

4. Objective

The main objective is to ensure there are no interruptions to the planned conduct of Grade 5 Scholarship and GCE A/L Examinations due to disasters, and provide safe access and security to school children/candidates sitting for the examinations including officials.

4.1 Specific Objectives

- Ensure timely accessibility of 694,518 candidates as per the examination timetable to the designated 5,584 examination centers without any impediments caused by hazards/disasters.
- Provide unimpeded access to officials of the examination department and uninterrupted services to 38 Examination Divisional Offices, 812 Examination Coordinating Centers and 5,584 Examination Centers.
- Prepare, coordinate and execute emergency plans among all essential service organizations in emergencies to achieve the mandate of the Examination Department of Sri Lanka.

5. Potential Scenarios

5.1 COVID-19

Health Guidelines issued by the Ministry of Health to be strictly adhered by students, officials and supporting staff for early detection of infected persons.

5.2 Adverse Weather Conditions

Month of October and November, being the second inter-monsoon season could have unexpected intense rainfall. Selection and establishing of examination centers should be safe from potential flood and landslide zones demarcated by National Building Research Organization (NBRO), Irrigation Department (ID) and DMC. Lightening is a potential threat.

5.3 COVID-19 Detection

The detection of COVID-19 patient/s or the tracing of such person/s having visited the examination/ coordinating centres can cause immediate disruption to the conduct of examinations. Each centre should have contingency plans to isolate and continue functions in pre-identified alternative locations.

5.4 Animal Attacks

Animal encounters remain a considerable cause of human harm in certain areas. Stings from bees, wasps and hornets can be lethal. Routes will need to be secure of animal encounters and bee/ wasp nests. Further, the areas identified with Human-Elephant Conflict (HEC) too need considerable attention in planning and contingencies. Access to such examination/coordinating centres by candidates and officials with alternative routes need to be identified.

Immediate Action in the Event of an Interruption

HOT LINE –1911

Department of Examinations (DoE)

The DoE has established a 24 hour Examination Emergency Coordinating Office for the period 11th October to 6th November 2020 with direct access through the hotline – 1911. In the event of any interruptions to continue with the examinations due to hazards/disasters, the DoE will direct the 38 Educational Divisional heads to allow affected candidates to overcome disruption through a special directive to continue the examination from the nearest centre.

Contact numbers of Educational Divisional Heads is attached.

6. Operational Guidelines for Examination Emergencies in Situations of Disasters

Safety and security of school and private candidates eligible to sit for GCE O/L and officials engaged in conducting the examinations will be of paramount importance in the event of potential disasters due to natural hazards. 694,518 candidates, majority being school children will commute over 27 days between 11th October to 6th November 2020. In addition, over 70,000 officials will be involved. Provision of public and private transport and mobility contingencies in the event of disaster will require detailed planning. The climate patterns and past extreme weather conditions indicate possibilities of heavy rains leading to flooding, landslides and earth slips. High wind, storm surge, coastal erosion, lightening, severe thunder storms and industrial hazards are possibilities. Tsunami, fire and explosions inclusive are potential threats.

Road accidents and animal attacks (human elephant conflict etc) are on the increase, which are severe safety concerns of school children and officials.

Preparation in providing early warning, reducing risks and responding speedily in the event of a calamity would be a collective action by agencies involved in examination emergencies. The guidelines will support such agencies to be proactive, prepare, coordinate and implement plans to achieve the specified objectives.

6.1 Department of Examinations, Sri Lanka (DoE)

Commissioner General of Examinations (CGoE) of the DoE will be Co-chair of NEEOps. He will share his operational plans with the other Co-Chair of DMC. Administrative activities will be managed by the CGoE. Operational aspects related to disaster management will be coordinated by DMC. CGoE will;

- a. Assign DoE representative as Operational Co-Chair of NEEOps.
- b. Share deployment of officials/candidates and assets related to the examination with NEEOps to facilitate emergency response planning.
- c. Appoint DoE provincial and district representatives in respect of each district to coordinate with

District Secretary and DMC in emergencies. The 38 divisional examination heads to be connected with DEECO.

- d. Ensure examination officials are briefed of contingency plans provided by NEEOps.
- e. Provide detailed briefing to invigilators and officials in examination centers of immediate action drill in the event of a disaster during the process of examinations.
- f. Direct Emergency Response Calls received by **DoE Hotline 1911** to NEEOps.
- g. Make available contact list of essential focal points and link them with NEEOps and DEECO.

6.2 Disaster Management Center (DMC)

DMC will be responsible for the planning and execution of examination emergencies in liaison with DoE. It will function as Co-Chair of NEEOps. A coordination mechanism will be established to ensure essential and support organizations are prepared to implement contingency plans at national, provincial and district/divisional levels in the event of a disaster.

- a. Assign DMC representative as Operational Co-Chair of NEEOps. Director EOC to be assigned. EOC to be the central operations room for NEEOps.
- b. District offices of the DMC to be the District Examination Emergencies Coordinating Offices (DEECO) with Assistant Directors of DDMCU being the district based operational officers linked to NEEOps.
- c. Implement National Examination Emergency Plan in liaison with other ministries, departments and organizations via NEEOps.
- d. Create safe access routes to and from, the examination and coordinating centers for candidates and officials for in the event of emergencies.
- e. Transport providers both state and private to be made aware of the needs and contingencies.
- f. Provide early warning of impending disasters timely and efficiently.
- g. National Council for Disaster Management to be appraised of action plan in the event of a national examination emergency.

6.3 Ministry of Health

Emergency health response plans in support of Examination Emergencies to be prepared and resources allocated based on the potential threat. National and sub-national key focal persons will be linked with DMC and NEEOps to confirm readiness and activate contingency plans if required. The Disaster Preparedness and Response Division (DPRD) of the Ministry of Health will be the focal unit linking health and medical needs in examination emergencies with NEEOps and DEECO.

Special attention will be required for the adherence of COVID-19 protocols during the period of the examinations at examination and coordinating centres.

- a. A fulltime coordinating representative will be at NEEOps for the period stated.
- b. National emergency health response action plan will be shared with JEEOps.
- c. 'Health Guidelines for Conducting the Examinations Amidst the COVID-19 Outbreak' is to be shared with all responsible officials for serious adherence.
- d. SOP to be formulated and shared with relevant authorities in the event of the detection of a virus infected person. The health emergency protocol to be activated.
- e. List of contact details of national, provincial and district health coordinators to be submitted.
- f. Deployment of ambulances and required vehicles to be ensured.

- g. Sufficient health staff and medicinal stocks in hospitals to deal with emergencies in vulnerable districts to be confirmed.

6.4 Ministry of Education (MoE)

Ministry will be overall responsible for providing guidelines and directives to the examination candidates via the Department of Examinations. Adherence to COVID-19 protocols by all examination centres is mandatory with the provision of adequate health and hygiene supplies. The schools selected as examination and coordinating centres to be least vulnerable to effects of hazards. Potential areas and centres vulnerable to extreme weather or hazardous conditions are to be brought to the notice by relevant schools Principals to NEEOps and DEECO to mitigate such effects via prior planning.

7. Guidelines for Implementing Ministries, Departments and Institutions.

Response to election emergencies will be carried out by relevant ministries, departments and institutions based on the nature of the hazard.

7.1 Ministry of Defence (MoD)

MoD will be appraised by the DoE through the Ministry of Education with regard to troop deployment in support of National Examination Emergencies caused by natural disasters. MoD will provide assistance to any such emergency response through the Office of the Chief of Defence Staff (OCDS). NEEOps will link with OCDS for tri-force deployment plans in election emergencies.

7.2 Office of the Chief of Defence Staff (OCDS) and Tri Forces

Civil-military cooperation in humanitarian emergencies is vital. Military assets, its experience, rapid employment and speedy access are immense advantage they possess in saving lives. Plans of OCDS, in preparing and responding to emergencies will support the conduct of examinations in the event of extreme weather conditions or any other interruptions. NEEOps will liaise with OCDS in connecting DoE, DMC, national and provincial/district-based stakeholders. OCDS is requested to;

- a. Assign OCDS representative to liaise directly with NEEOps.
- b. Request from Commander of the Army, Navy and Air force to provide operational assistance to JEEOps through respective Directors of Operation to execute examination emergency responses.
- c. Attach tri-forces (Army, Navy, Air Force) senior representatives to JEEOps to assess, coordinate and authorize resources for emergency response relevant to respective service organizations.
- d. Nominate tri-forces representatives for 25 District Election Emergencies Coordinating Offices.
- e. Provide examination emergency response plan/guidelines in respect of resource mobilization for election emergencies.
- f. Link OCDS Operations room with NEEOps and DEECO.
- g. Disseminate weather forecast, early warning, potential mobilization and other related information sent by NEEOps with relevant tri-service organizations.
- h. Collate and share contact details of key military coordinators at national and district levels assigned for election emergencies.

7.3 Sri Lanka Police and Special Task Force (STF)

Sri Lanka Police with the support of STF require deploying on the directive of Inspector General of Police. In emergencies, Police is to link with the NEEOps and DEECO to manage any interruptions to the examinations. Police HQ is requested to;

- a. Provide communication and deployment plan in examination emergencies.
- b. Assign focal officer/team for NEEOps.
- c. Link local police stations for information sharing with NEEOps at the national level and DEECO at the provincial/district levels.
- d. Disseminate alerts and warning sent out by NEEOps to reach candidates and examination officials.
- e. Harness community support and assistance as first responders in response to a disaster.
- f. Share list of Police representatives to be linked with JEEOps and DEECO.

7.4 National Examination Emergencies Operations Unit (NEEOps)

NEEOps will be the operational arm to coordinate and implement examination emergencies. EOC, with the support of DMC will be the lead in planning and operationalizing examination emergency procedures in liaison with DoE representatives. It will take all necessary steps to counter any disaster or impending disaster in accordance with existing plans.

DMC appointed Operational Co-chair for NEEOps will be the Director of Emergency operations Centre (EOC – DMC). Office and command center of NEEOps will be the EOC at DMC. District Examination Emergencies Coordinating Offices (DEECO) will be in the respective 25 district secretariats under the auspices of the District Secretary. NEEOps will;

- a. Direct and authorize Examination Emergency Action Plans of key disaster response stakeholders and support organizations for implementation in the event of any emergencies interrupting examinations.
- b. Ensure identified organizations are operational to implement emergency plans at any given time during the period 9th October to 7th November 2020.
- c. Share district/divisional hazard maps for extensive circulation among officials and district administrators involved in the conduct of examinations. Take measures to identify and reduce risks, thereby facilitating access routes to examination centers.
- d. Carry out joint assessments on accessibility and alternate routes to examination centers at district/divisions through DEECO.
- e. Ensure critical service providers have special contingency plans in responding to power outages, transport exigencies, telecommunication failure etc.
- f. Create public awareness of examination emergency readiness.
- g. Support District Secretaries in the implementation of district disaster response plans.
- h. Support coordination of emergency relief through National Disaster Relief Services Center (NDRSC) and link with other stakeholders including private sector for a coordinated emergency response.
- i. Provide early warning on hazards and impending disasters, timely, in liaison with technical agencies. Ensure speedy and efficient communication mechanism for warnings and instructions to reach examination candidates and officials.
- j. Identify and enhance facilities of alternate safe centers for immediate relocation of vulnerable examination centers for the continuity of examinations in the event of interruptions.
- k. Provide operational, administrative and logistical support for DEECO.
- l. Update respective Ministries, District Secretaries, OCDS, DoE of operational activities regularly. Maintain close liaisons with District Secretaries in sharing information and providing assistance in emergencies.

- m. Essential composition of NEEOps will be representatives of DMC/EOC, CGoE, Provincial/Zonal Education representatives, health representatives, Tri-forces, Police, assigned governmental and technical organizations.
- n. Request for senior representatives of essential service organizations in emergencies to facilitate coordination and implementation of tasks assigned to respective organization. Their presence is required 24/7 from 9th October to 7th November 2020.
- o. Establish public, private and media partnership for dissemination of weather forecasts, warnings and safety instructions.
- p. Deploy pre-identified resources as per contingency plans to maximize efficiency in providing safety and security to candidates and officials of the examination department.
- q. Provide timely situational reports/updates to Co-Chairs and relevant authorities.

7.5 District Examination Emergencies Coordinating Office (DEECO)

Twenty five district officers will be in operation at the district secretariats. DEECO will be headed by the respective District Secretaries in liaison with heads of the established Educational Divisions. Essential composition of DEECO will be the District Secretary; DoE representative and DMC representatives as district operational co-chairs; representatives of tri-forces, police and those determined by the District Secretary. DEECO will;

- a. Operationalize DEECO, linking with Divisional Secretariats, Provincial Educational Directors, Local Government Authorities, Tri-forces, Police and other organizations/stakeholders involved in examination emergency readiness and response.
- b. Maintain direct liaisons with NEEOps and provide frequent situational updates. Establish information sharing mechanisms both from national to sub-national levels.
- c. Formulate essential composition of DEECO incorporating district co-chairs, tri-forces representatives, Police and other partner organizations.
- d. Coordinate and implement district emergency response plans in the event of an examination emergency.
- e. Coordinate with district based essential service organizations for clearance of access routes, responding to power/communication outages and transport exigencies.
- f. Seek for alternate examination centers as safe sites in the event of relocation procedures.

7.6 Department of Meteorology

Accurate, timely and impact-oriented weather forecast will support preparedness and rapid response through early warning. Due to the commencement of the North-Eastern Monsoon, adverse weather conditions have been predicted island-wide, with intense rain in the North and East of Sri Lanka. A detailed weather prediction chart for the period of examination is annexed. Met department will;

- a. Issue regular weather forecasts and disseminate timely to NEEOps. Periodicity of issuing situation reports during from 7th October to 7th November 2020 to be agreed with NEEOps. Proposed forecast report periods are given below;

Date	07 Oct to 10 Oct 2020	10 Oct to 7 th Nov 2020
Frequency of Reports	12 hourly	3 hourly

In the event of potential threats – hourly reports or even frequent as required.

- b. Designate senior officer to liaise with NEEOps.
- c. Provide Examination emergency action plan with list of contacts.
- d. Formulate speedy and simple dissemination of early warning format, inclusive of local language for onward transmission to public/media without edit to save time and reduce risks.
- e. Connect with mass media to disseminate special weather forecasts / advisories.

7.7 Irrigation Department

Threat of extensive rain could swell rivers, overflow reservoirs and force open sluice gates causing floods in low-lying areas. The department should provide adequate early warnings related to reservoir spill levels, opening of sluice gates and river rise.

Early warning and potential threats in areas of high vulnerability needs to be identified in relation to examination and examination coordinating centers. The Irrigation Department will;

- a. Provide situational reports to NEEOps on water levels and alerts related to rivers, reservoirs and other water bodies detrimental to overflow or cause a disaster. Frequency of submission of reports to is given below;

Date	07 Oct to 10 Oct 2020	10 Oct to 7 th Nov 2020
Frequency of Reports	6 hourly	3 hourly

In the event of potential threats – hourly reports or even frequent as required.

- b. Provide potential threats and vulnerable areas to NEEOps to facilitate deployment plans. Access roads and safe locations will be vital.
- c. Make available election emergency action plan based mostly on early warning and dissemination to NEEOps.
- d. Agree on communication mechanism and simplified warning message for direct dissemination to public through NEEOps.
- e. Provide list of key contact persons at national and sub-national levels to NEEOps.
- f. Ensure 24 hours operational, situation monitoring office from 7th Oct to 7th Nov 2020.
- g. Assign representative to connect with NEEOps during the same period.
- h. Disseminate information of potential threat or normalcy to public via media and other sources.

7.8 Disaster Preparedness and Response Division (DPRD)

Emergency health response plan in support of Examination Emergencies to be prepared and resources allocated based on the potential threat. National, provincial and regional key focal persons will be linked with NEEOps/DEECO to confirm readiness and active contingency plans if required. Dengue and epidemics are on the rise and therefore necessary preventive measures at exam centers and surrounding areas prior to examination period.

DPRD will be the focal unit linking health and medical needs in election emergencies with NEEOps.

- a. A fulltime coordinating representative will be at NEEOps for the period stated.
- b. National emergency health response action plan will be shared with NEEOps.
- c. Health guidelines for conducting of Examinations amidst the COVID-19 outbreak to be shared with educational and relevant authorities for strict implementation.
- d. To ensure preventive measures in terms of epidemics and other potential threats are looked into. Ex – Dengue.

- e. List of contact details of national, provincial and district health coordinators will be submitted.
- f. Deployment of ambulances and required vehicles will be ensured.
- g. Sufficient health staff and medicinal stocks in hospitals to deal with emergencies in vulnerable districts will be confirmed.

National Dengue Control Unit (NDCU) will be focal point in paying special attention to epidemics such as Dengue that is currently on the rise. NDCU to ensure that preventive measures with regard to Dengue is taken at exam centers and surrounding areas prior to the examination period. National, provincial and regional key focal persons will be linked with NEEOps/DEECO to confirm readiness and active contingency plans if required.

7.9 National Building and Research Organization (NBRO)

Monitoring of potential landslides and consequences of aftermath which will hinder the conduct of national examinations would be NBRO's examination emergency contingency. Prior warnings will enable safety of examination candidates and those engaged in examination duties in 6,400 examination and coordinating centers.

- a. Identify and zone potential areas vulnerable to landslides or access amongst the established examination/coordinating centers.
- b. Demarcate safe access routes in support of candidates/officials proceeding to and from examination/coordinating centers in landslide vulnerable areas. Provide alternate safe routes in the event of an emergency.
- c. Provide emergency response plan in the event of a disaster.
- d. Designate senior officer to liaise with NEEOps. Provide contact list of key personnel at national and subnational levels.
- e. Provide updated situational reports to NEEOps frequently.
- f. Provide warnings timely to NEEOps.

7.10 Civil Security Department (CSD)

CSD is to provide its possible deployment in areas of vulnerability to support examination emergencies. CSD is requested to;

- a. Assign representative to link with NEEOps.
- b. Provide capacity and strength in support of examination emergencies for NEEOps. Specific tasks will be assigned accordingly.
- c. Support dissemination of alerts and warning messages to candidates and examination officials in the event of such warnings.
- d. Assist DoE and NEEOps in support to overcome any impediments to examinations on ground.
- e. Link directly with DEECO for emergency assistance in respective districts.

7.11 Telecommunications Regulatory Commission (TRC)

TRC will ensure both government and private telecommunication service providers are tasked to provide uninterrupted communication during the period of 7th Oct to 7th Nov 2020. Additional emphasis in supporting examination emergency response through contingencies for back-up and communication revival to be made. Sufficient manpower to support such exigencies to be planned. TRC to connect with NEEOps and assign focal point.

7.12 Road development Authority (RDA)

Road access to implement response plan in the event of disasters will be vital. Access in support of

candidates sitting for examinations and officials of examination department will require roads and pathways to be cleared of obstacles following a hazard/disaster.

- a. Routes which are likely to be affected need to be identified and contingencies drawn to clear road/ pathways. Share such action plans with NEEOps.
- b. Assign a representative to coordinate with NEEOps and share contact list of key persons involved in election emergencies.
- c. Provide list of machinery and human resources available for deployment in vulnerable areas.

7.13 Electricity Supply – CEB and LECO

Ceylon Electricity Board (CEB) and Lanka Electricity Company Private Limited (LECO) are the suppliers of Electricity Island wide. Both agencies require having contingencies in providing continuous electricity supply during the period of examinations. Backup electricity in the event of hazard/disasters to be planned and pre-positioned with breakdown teams deployed in and around the areas of examination centers to deal with any interruptions. National and district representatives of the two entities to link with NEEOps and DEECO.

7.14 Fire Brigade – Local Government Municipalities

Readiness of fire brigades under the municipalities require to be directed in submitting contingency plans to respond to examination emergencies. Resource availability, fire-hydrant serviceability and reach of fire brigades to be submitted to NEEOps. Assign a coordinator to liaise with NEEOps, who is capable of coordinating all fire brigades. Complementing and supporting adjacent municipality fire brigades in the event of emergencies is suggested. Prior approval to be obtained to affect such mutual support.

7.15 1990 Ambulance Service- Suwaseriya

Suwaseriya operations room to connect directly with NEEOps with an assigned officer. Deployment of ambulances and its services to be mapped. Suwaseriya to brief its ambulance teams stationed in districts of the potential support required for examination emergencies. NEEOps will coordinate with CEO Suwaseriya and maximize services in the event of causality transport and medical services.

8. Communications

NEEOps will be the command center linked directly to DEECO in 25 districts. NEEOps will communicate with Co-chairs of the DMC and DoE for execution of examination emergency plans. Whilst NEEOps and DEECOs will coordinate and facilitate the examination emergency process, individual essential service organizations mentioned above will have its internal and external communication plans.

9. Administration and Logistics

NEEOps will be supported by DMC while DEECOs will be hosted by the respective District Secretariats of the 25 districts. Essential service organizations in emergencies are requested to internalize administrative and logistic support. Organizations may discuss further needs and requirements with DMC for resource allocation as required. DoE will liaise with Provincial Education Directors in providing logistic support to staff and candidates.

10. Inclusivity of Children with Special Needs

The Co-chairs of NEEOps will ensure that all stakeholders involved in these guidelines ensure safe and inclusive environments for candidates with special needs. Early warnings, evacuation orders and response plans to include, adhere and cater to the special needs in liaison with DEECO and NEEOps.

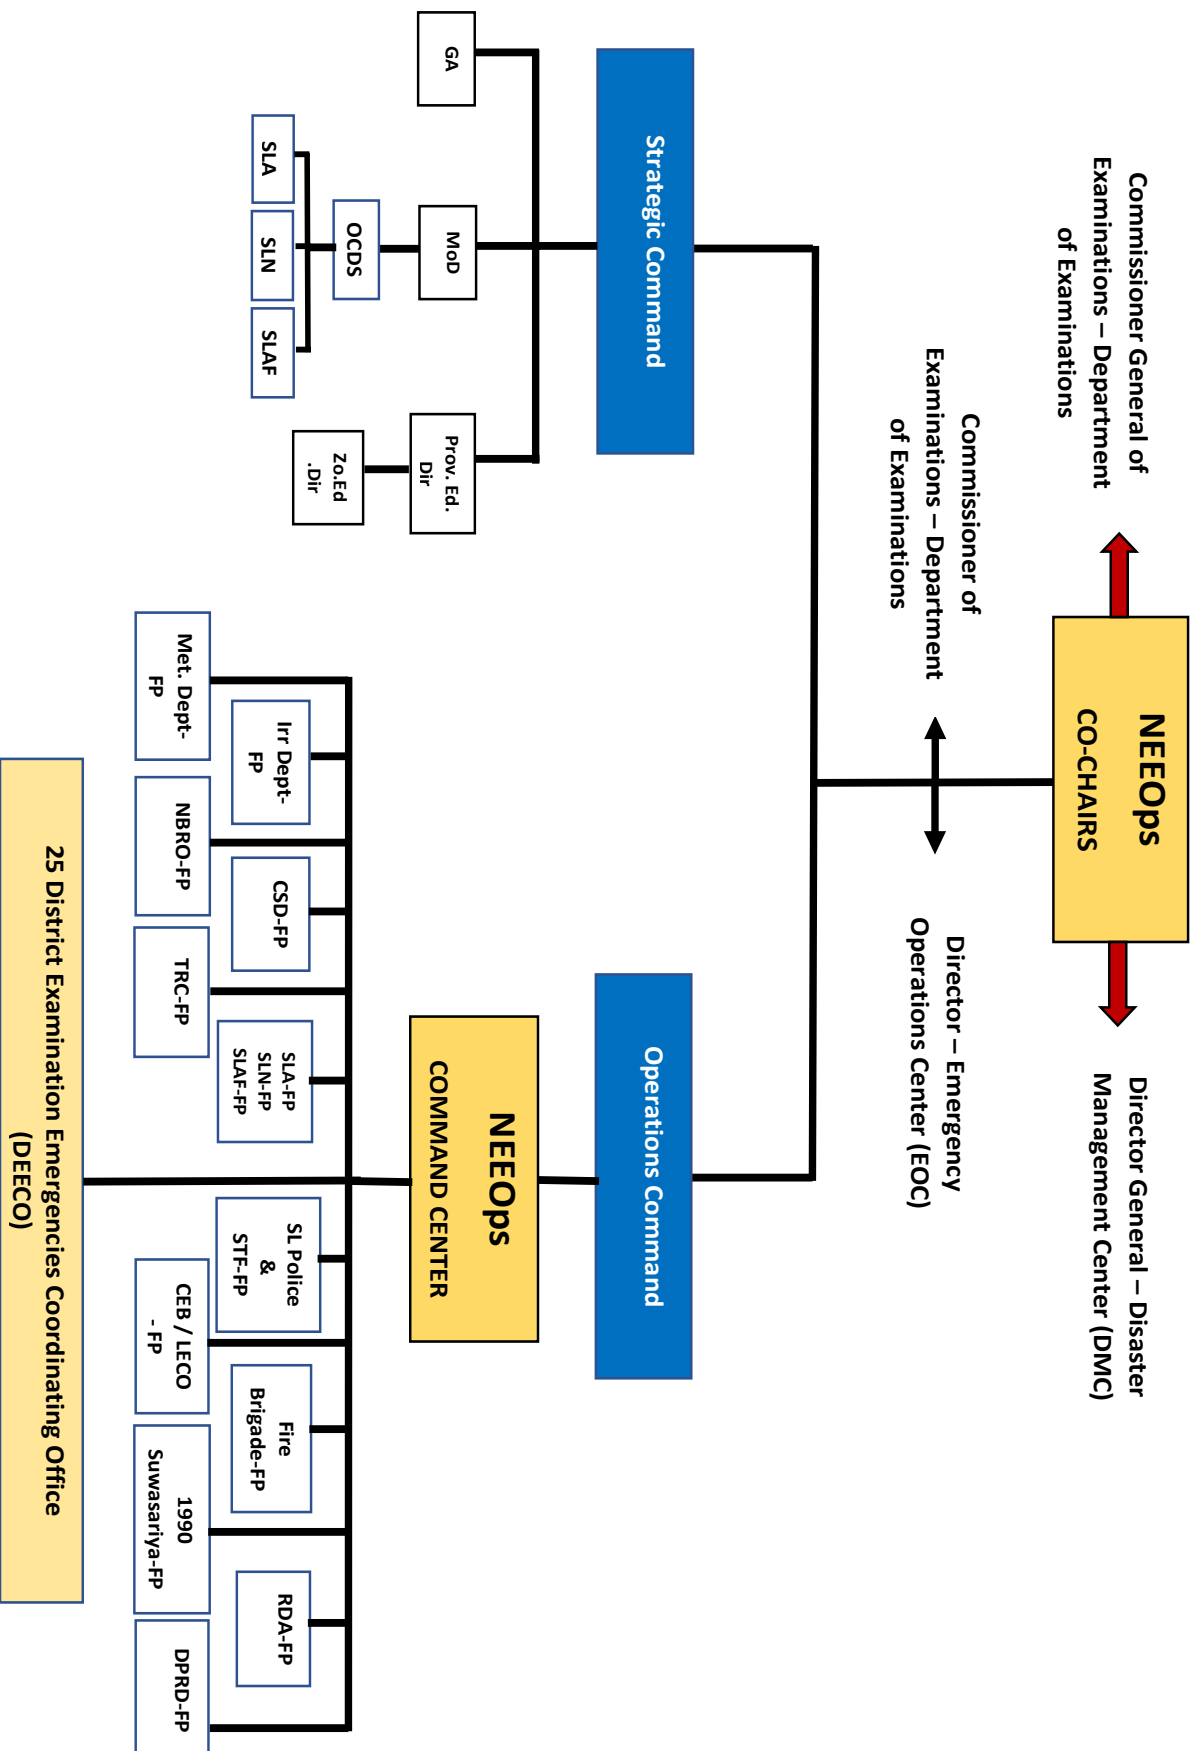

11. Conclusion

Preparing and responding to examination emergencies require collective effort. An estimated 750,000 candidates (mostly school children) and examination officials will commute for nearly a month. The collection of question papers in the mornings and the submission of answer scripts in the evenings to and from 5000 centers will require timely planning and execution. Any interruptions due to hazards/disasters can cause many a delay and deprive children of sitting for their examinations. Safe passage for candidates to travel to and from their homes to the examination centres will be the collective responsibility of all agencies. A coordinated and cohesive effort by agencies in support of the Department of Examination to conduct examination amidst emergencies is a positive initiative in providing the right to education.

Instructions for selected public activities/work settings for the prevention and control of COVID19

Instructions for selected public activities/work settings for the prevention and control of COVID - 19

CONDUCTING EXAMINATIONS

This refers examinations conducted by institutions, organisations and professional bodies.
Also refer: General guidance for the public on COVID-19 prevention

Specific message/Instructions

For the management/organizer of the examination

- Appoint a responsible officer from the institution/organisation to ensure that the necessary arrangements are in place and the instructions are followed.
- All staff involved should be given an orientation/instructions to be followed on COVID-19 prevention - the relevant personal protection and precautions to be taken; washing hands properly with soap and water; maintaining physical distancing (whenever possible); correct way of wearing masks and respiratory etiquette (cover mouth and nose with elbow when sneezing/coughing)
- Maintain a list of all candidates who sit the examination with their contact number, address and NIC number
- Inform all candidates of the COVID-19 prevention measures that are in place prior to the examination, and reminders should be communicated at the examination centre through notices/signages.
- All candidates must be given a hotline number for any COVID-19 related queries and to call and inform of any fever/respiratory symptoms beforehand, to allow the necessary arrangements to be made
- The process of entering and exit from the examination centre should be streamlined and adequate service points provided to prevent crowding/bottlenecks such as handwashing, registration, bag drop off point, etc
- Arrange facilities for hand washing (foot operated or sensor operated tap preferred) with soap and water for all participants at the entrance to the examination hall. If such facilities cannot be provided ensure availability of alcohol-based hand sanitizer at the entrance. All participants should be advised to clean their hands before entering the examination hall. A person should be allocated to ensure that the above process is taking place properly.
- Adopt a system of inquiring about the health of staff and candidates (ask for fever and respiratory symptoms like cough/cold) at the entrance
- Thermometers may be used to check for fever but are not essential. If temperature is to be checked at the entrance, non-contact infra-red devices are preferred, and staff must be trained on their proper use
- Staff that have fever/respiratory symptoms should not come to work.
- Candidates with fever/respiratory symptoms must be instructed to wear the mask at all times and be directed to the isolated area reserved for them. If possible to postpone the exam date to a convenient one without disadvantage to the candidate, such as for a viva voce/practical/interview examination, this option is preferred.

Instructions for selected public activities/work settings for the prevention and control of COVID - 19

- The exam hall should be disinfected before and after the examination, and between batches if relevant. This includes disinfection of tables, door handles, stair railings, lift buttons and other commonly touched surfaces. In the case of practical examinations, all instruments must be disinfected between candidates.
- If OSCE examinations are held, they should be conducted in such a way as to minimise touching of common surfaces/instruments during the rotation (eg. Questions can be displayed on a monitor instead of on a printed sheet; use of microscope can be avoided by displaying image of the slide on a screen)
- Arrange a separate area for students who have fever/respiratory symptoms. This should be away from other candidates, preferably in another room. The area should well ventilated, and physical distancing must be ensured.
- When attendance is signed, the participants should be asked to use their own pen
- A face mask should be worn properly by the candidates at entry and it can be removed during the examination and worn again during the exit. Invigilators should wear the mask throughout the process. Any student with fever/respiratory symptoms must wear a mask throughout. A mask should be worn by both candidates and examiners during viva voce/practical/interview examinations where a minimum of 1 meter physical distance cannot be maintained.
- Provide a closed waste bin for discarding used tissue, paper serviettes and used disposable items.
- Keep the examination hall well ventilated whenever possible. Proper natural ventilation in the hall is preferred. Avoid using A/C as much as possible.
- Keep all doors leading to the examination hall open before and after the examination to avoid people touching the door handles
- There should be a minimum 1 meter distance between each examination desk
- Do not send any articles/papers around from hand to hand (e.g. calculators, log tables)
- Provide disposable cups at the water dispenser or ask candidates to bring their own water bottles
- You are required to fill the provided Assurance form, indicating compliance with the instructions given. The original of the Assurance form should be submitted to the area Medical Officer of Health. A copy of the same should be sent to the local government authority (municipal council/ urban council/ pradeshiya sabha) and another copy should be kept with you. The owner/ manager of the institution/organization is responsible to ensure that the above guidelines are strictly adhered to.

For the candidates

- Inform the invigilator if having symptoms such as fever/cough/sore throat, and make sure to wear your face mask properly throughout. If possible, this should be informed prior to the date of the examination so that suitable arrangements can be made.
- Provide accurate contact details to the institution/organisation
- Follow instructions given by the institution/organisation regarding COVID-19 prevention. This includes:
 - Respiratory etiquette (cough or sneeze into the inner side of your elbow)

Instructions for selected public activities/work settings for the prevention and control of COVID - 19

- Regularly wash hands properly with soap and water
- Correctly wearing a mask to cover both the nose and mouth
- Ensure a distance of at least 1 meter is maintained at all times between yourself and others
- Do not crowd at common areas such as entrance, registration desk, hand washing facilities
- Bring your own equipment (eg – calculators) if allowed and as far as possible
- Do not linger unnecessarily on the premises before and after the examination

Method of instruction

- Instructions to be issued by institutions/organisations to all candidates
- Notices/signages should be put up at the examination centre indicating COVID-19 prevention measures to be taken (wear mask; wash hands before and after shopping; maintain physical distance of at least 1 meter from others; respiratory etiquette)

Special Weather Report by Met Department from 9th October to 25th October 2020

General Climatology

Generally during inter-monsoon period, which starts in October, convective thunderstorms are dominant during the afternoon or evening. However, low pressure systems in the vicinity of Sri Lanka can cause rain throughout the day as well.

Medium Range Forecast

According to the latest update on the weekly predictions from European Centre for Medium Range Weather Forecast (ECMWF) global model, below normal rainfall is likely over entire island during the week 1 from 29th September to 04th October and week 3 12th October to 18th October. Below normal rainfall is likely over western parts of the country during the week from 05th October to 11th October.

However isolated thundershowers are likely during the afternoon.

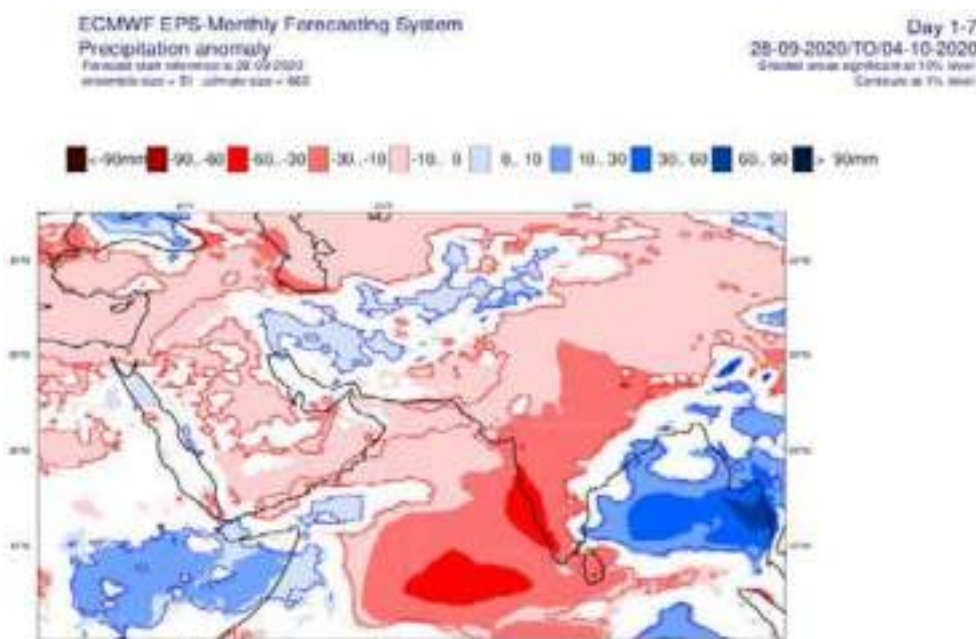

Figure 01: Weekly forecast for the week from 29th September to 04th October.

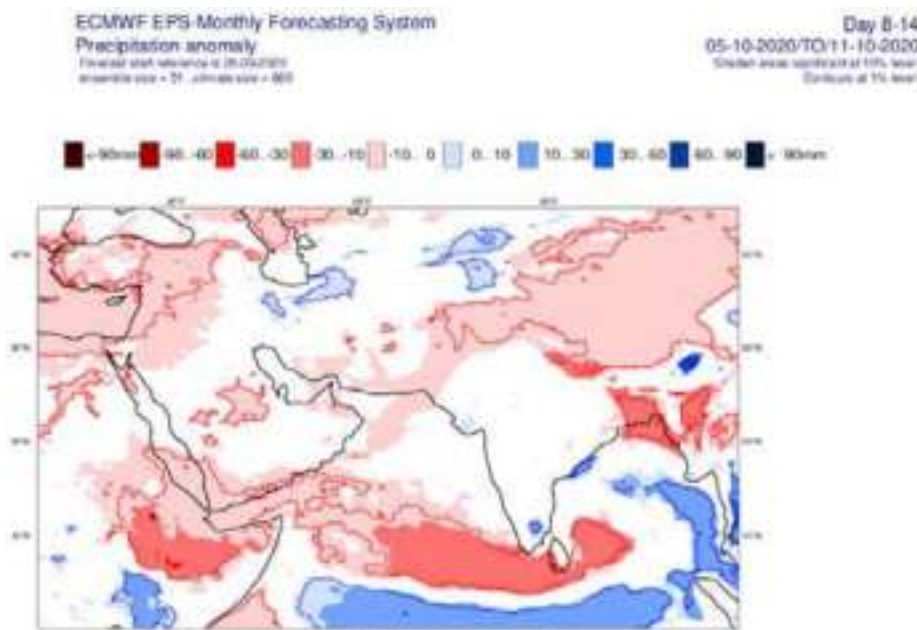

Figure 02: Weekly forecast for the week from 05th October to 11th October.

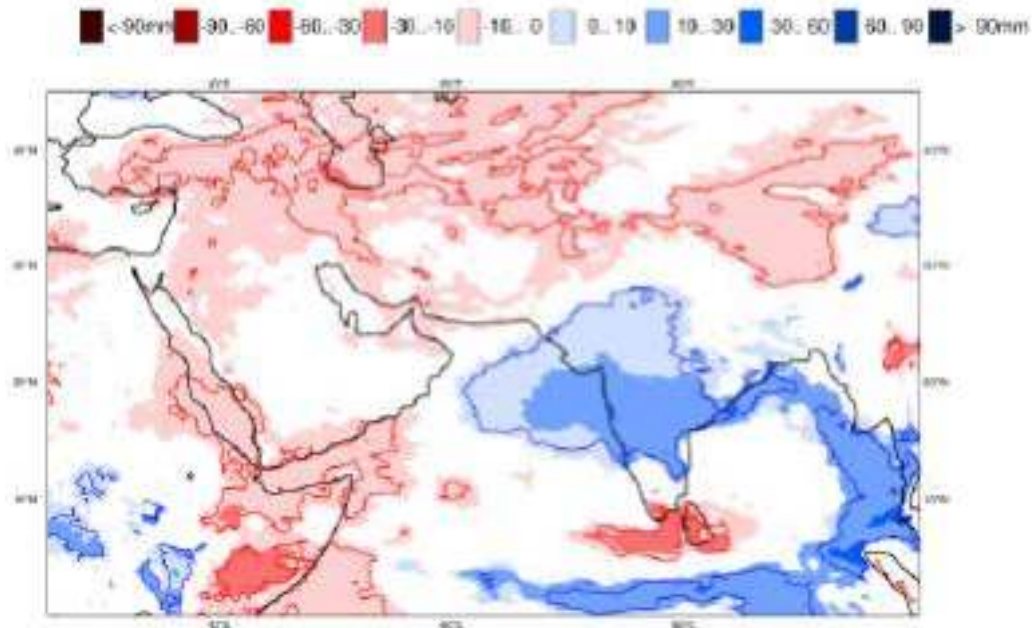

Figure 03: Weekly forecast for the week from 12th October to 18th October.

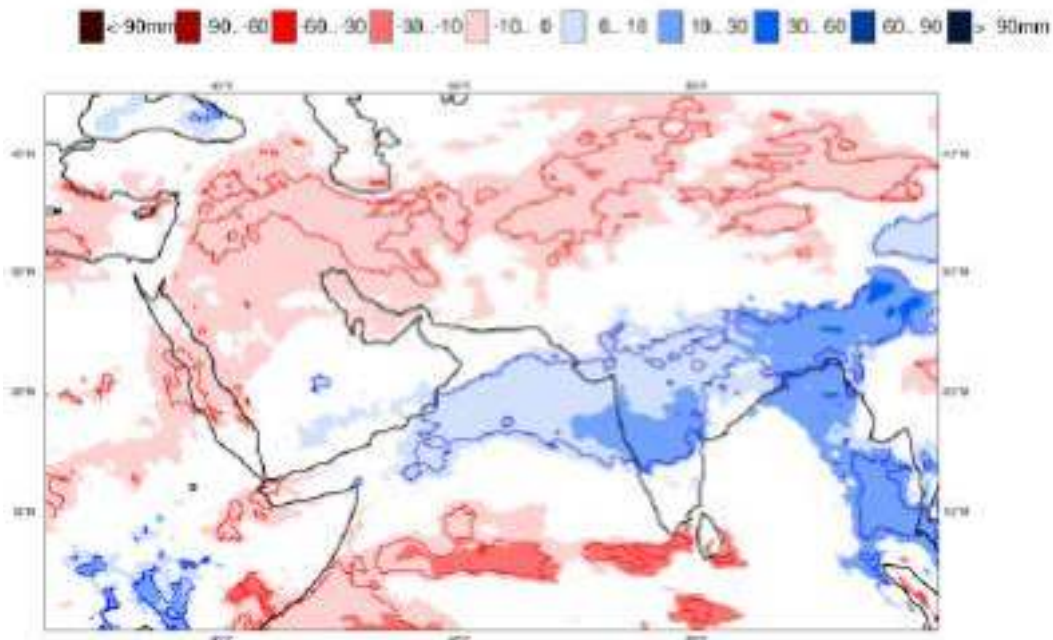

Figure 04: Weekly forecast for the week from 19th October to 25th October.

Irrigation Department - flood Situation Forecast 7th October to 7th November

When digging through past data, it is obvious that number of flood events occurred are not very high throughout the Island when compared to other periods of the year. In addition to that Meteorological Department have forecasted a slightly below normal rainfall for the said period considering the mild La Nina scenario. However, the possibility of flood threats cannot be completely omitted as there are even few major events have been occurred during the same period in some areas as per the historical reports.

Considering the current water level situation of rivers and reservoirs and the historical records of events, Hydrology Division of Irrigation Department would like to make following recommendations.

1. Kurunagala, Puttalam, Kegalle, Gampaha, Colombo, Ratnapura, Kalutara, Galle, Matara, Baticoloa and Trincomalee districts shall have to be given the highest priority in taking impact mitigation measures for any kind of flood treats when considering river flood threats.
2. Colombo, Kurunagala, Puttalam, Kandy, Nuwara Eliya and Galle districts shall have to be given high priority when taking impact mitigation measures due to local and urban floods.
3. Flood Threats in other areas cannot be omitted and therefore better be in alert and with some preparation.

SUMMARY OF DAYLY WATER LEVEL & STORAGE OF MAJOR RESERVOIRS

NO	RANGE	NO OF TANKS	STORAGE (Acft)				
			GROSS	DEAD	PRESENT	EFFECTIVE
